We close another financial year with a loss to the Town, aside from the State Bonds. You all are aware that it has been a year of unusual disaster to Highways and Bridges, and also one of the unfortunate periods in regard to Paupers.

There has been much sickness among this class on the Farm, resulting in three deaths.

The execution in favor of Mr. Gale, with costs amounting to nearly a thousand dollars, has likewise been paid, which is not an expense appertaining to the past year.

We can again cheerfully commend the management of the agent and his Wife, at the Farm.
